

## Faith Statement:

The ministry is designed to show youth the importance of a 'Christ centered life.' It is a furthering of their Catholic faith within junior high and high school, stressing such vital components as Christian discipleship, faith sharing, scripture, sacramental devotion, fellowship, forgiveness and reconciliation, and youth integration at the parish level. We seek to be a healthy, faithful, and safe environment for all involved wherein we witness to the source of our joy, namely Jesus the Christ and His Blessed Church.
