Thank You! The parishioners of St. Joseph's generously answered the call for donations to the St Lucy Project. Donations of food totaled **8,922 pounds** (4 1/2 tons) and monetary donations of **\$1,192**. The staff at St. Lucy expresses their sincere gratitude to the people of St. Joseph. This donation will assist them to continue to support the food pantries in Arlington diocese at a time when food donations are at their lowest. The money will be used to fund the purchase of fresh produce for families in need. Also, the Men's Society express their gratitude for the overwhelming support from our parishioners for this effort.

Peace and good!

The World Meeting of Families Congress - Love is our Mission: The Family fully Alive meets in Philadelphia this month. The international gathering celebrating family life will consist of Eucharistic celebrations, prayer services, keynote speeches, workshops, family festival of faith, etc. One of the highlights of the gathering is the presence of Pope Francis with the faithful at the congress. Pope Francis will preside at a prayer vigil for families and celebrate the closing Mass.

The World Meeting of Families Congress is held every three years and is sponsored by the Holy See's Pontifical Council for the Family. Each congress selects a theme that adds to our understanding of families as an essential value in our world. The theme of the World Meeting of Families – Philadelphia 2015 is *Love Is Our Mission: The Family Fully Alive*. The focus of this year's congress is the impact of the love and life of families on our society.

Pope Francis (2014) stated:

We will reflect in particular on the family, which is the fundamental cell of society. From the beginning the Creator blessed man and woman so that they might be fruitful and multiply, and so the family then is an image of the Triune God in the world. Our reflections must keep before us the beauty of the family and marriage, the greatness of this human reality which is so simple and yet so rich, consisting of joys and hopes, of struggles and sufferings, as is the whole of life. We will seek to deepen the theology of the family and discern the pastoral practices which our present situation requires. May we do so thoughtfully and without falling into "casuistry," because this would inevitably diminish the quality of our work. Today, the family is looked down upon and mistreated. We are called to acknowledge how beautiful, true, and good it is to start a family, to be a family today; and how indispensable the family is for the life of the world and for the future of humanity. We are called to make known God's magnificent plan for the family and to help spouses joyfully experience this plan in their lives, as we accompany them amidst so many difficulties.

To learn more about the World Meeting of Families Congress 2015, I invite you to visit the following web site:

As we prepare for Pope Francis' visit to the USA and the gathering of families in Philadelphia, I am reminded of Pope Francis' (2015) simple and challenging words:

May I? Thank you! Pardon me. These three phrases open the path to a happy family life. They are simple words but not so simple to put into practice.

Let's pray for Pope Francis and all those gathering in Philadelphia for the World Meeting of Families – Philadelphia 2015 is *Love Is Our Mission: The Family Fully Alive*.

Father Tom

"On the weekend Sep. 19th/ 20th, 2015, there will be a display of beautiful olive-wood handmade carvings from the Holy Land at our Church. These Carvings are made by the Christians of Bethlehem who use them as their source of income. These brothers and sisters of ours are enduring hardships at this moment because of the volatile situation in their home country. Christians in the Holy Land used to be more than 37% of the population. There is less than 1% now because of the situation. As Christians of faith, it is our duty to support our brothers and sisters in Bethlehem. YOU can support them by purchasing some of these beautiful carvings after Mass.
