We decided to participate and so today there's a Norfolk Pine Tree planted in our name right next to the 9th hole tee-box. I'll always have an excuse to go visit that golf course.

I converted to Catholicism at age 17. Feel blessed for surviving Vietnam, however, on a positive note, at the same time got a personal look at how people lived in a third world country. This gave me a good perspective on how fortunate we are to live in the US. Also feel blessed with a lovely wife, 5 children (Alia, Anissa, Mark, Michael and Matthew) and 5 grandchildren (Corey, Brandon, Ajani, Maya, and Elijah). Love cruising.
