Making a Mass Reservation

Step One:

Review Directives – It is important that you review the list of Directives for Phase III Reintegration Plan *prior* to making your reservation. See parish website.

Step Two:

Make your Reservation – *No one will be admitted to the church for Mass without a reservation.*

If you have Internet access, use the following email, rsvp@sjchemdon.org to make your reservation for Mass. Note, if you do not have Internet access, you may call the parish office (703-880-4355 or 703-880-4304) and a member of the staff will make a reservation for you.

You will receive an email confirming that you have a reservation at a particular Mass with the number of people attending. Please bring this email with you, either paper copy or on your smart phone to Mass for entry to the Church. The entire number of people attending with you must be present to enter into the Church as a family.
